

ismartgate LITE

The most complete smart controller
for a single residential garage door and gate.

GATE KIT

Voice control

Ask Siri, Alexa and Google Assistant to open and close your gate.

Automatic Close (IFTTT)

Get your gate open and close automatically with GPS location or time.

Remote Access

Control your gate from anywhere. All your remotes in a single app.

Multiplatform

Control and monitor your gate from your Phone, Home Speaker, Tablet, PC or Apple Watch.

For use on ONE GATE ONLY

If you have more than one gate or an Open/Stop/Close button, we strongly recommend the ismartgate PRO version instead.

User Management

Grant and deny access to different users. Restrictions by time, gate and location.

Status Alerts

Receive alerts when gate is open, closed or left open. Temperature alerts too!

Video Monitoring

Watch your gate from anywhere and get video clips recorded.*

Easy to install

ismartgate is an easy to install product. You simply need a Smartphone, a screwdriver and 20 min of your time.

Apple HomeKit technology provides an easy, secure way to control your home's lights, doors, thermostats, and more from your iPhone, iPad, or Apple Watch.

*Camera not included. Required external IP camera.
